

What You Need. When You Need It.

WHAT ARE THE LEARNING LABS?

An educational series designed by entrepreneurs, for entrepreneurs.

The Learning Labs will be a series of interactive, deep-dive sessions around targeted topics.

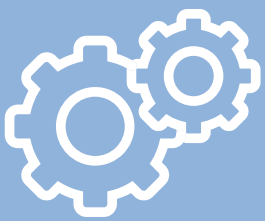

WHAT DO THESE SESSIONS LOOK LIKE?

Scheduled as needed by experts in their respective fields.

Each lab will include a 15 minute introductory on-demand segment available online, followed by a 2-3 hour interactive session with a group of 3 to 10 peers.

WHAT'S IN IT FOR ME?

The tagline says it all.

These sessions are designed to provide entrepreneurs with what they need, when they need it- a place to work on your business, walk away with outcomes you can apply directly to your business, and strengthen your relationships with peers and content experts.

WHERE CAN I SIGN UP?

The Labs will be ready to launch in January 2021.

Our team is cultivating top experts, relevant topics, and more in preparations to launch our newest service to you in January 2021. You can expect more details to come as we approach our launch date.
